Dear Parents/Guardians

**PARENT TALK (*Supporting Our Children to Win!*) AND DIALOGUE WITH PRINCIPAL**

The school is committed to foster close ties with parents and strengthen home-school partnership. As part of our school's ongoing efforts to support parents in navigating their children's teenage years, we are pleased to invite you to an insightful and engaging parenting talk, '*Nurturing a Growth Mindset at Home*', followed by a dialogue session with the school Principal on **Thursday, 28 August 2025**.

The parenting talk is designed to equip you with practical skills to nurture children with a growth mindset to view challenges as opportunities. A growth mindset is the belief that abilities can improve with effort and learning. With a growth mindset, children grow more confident, motivated, and resilient in school and life.

The parenting talk will be followed by a dialogue with the Principal, which is aimed at providing a safe platform for parents to share their opinions, feedback and seek clarification on school processes with a unified goal of improving students' learning and well-being.

Please receive details of the event on Thursday, 28 August 2025 as follows:
